**NOTICE**

Federal Rule of Civil Procedure 5.2 addresses the privacy and security concerns resulting from public access to electronic court files. Under this rule, papers filed with the court should *not* contain: an individual's full social security number or full birth date; the full name of a person known to be a minor; or a complete financial account number. A filing may include *only*: the last four digits of a social security number; the year of an individual's birth; a minor's initials; and the last four digits of a financial account number.

## I. COMPLAINT

Indicate below the federal legal basis for your claim, if known. This form is designed primarily for pro se prisoners challenging the constitutionality of their conditions of confinement, claims which are often brought under 42 U.S.C. § 1983 (against state, county, or municipal defendants) or in a "Bivens" action (against federal defendants).

- ☐ 42 U.S.C. § 1983 (state, county, or municipal defendants)
- ☒ Action under *Bivens v. Six Unknown Federal Narcotics Agents*, 403 U.S. 388 (1971) (federal defendants)
- ☐ Action under Federal Tort Claims Act (United States is the proper defendant; must have presented claim in writing to the appropriate Federal agency and received a notice of final denial of the claim pursuant to 28 U.S.C. § 2401(b))
